MEETING VENUES

STERNWHEELERS

The grand tradition of Mississippi riverboats comes to life on Mission Bay aboard our 19th Century Sternwheelers, the William D. Evans and the Bahia Belle. Up to 450 guests can enjoy a moonlit cruise aboard the William D. Evans, a true luxury riverboat complete with handcrafted wooden masts, a twelve-ton paddlewheel and a stunning 42-foot-long skylight delicately made of 50,000 pieces of European stained glass. The Bahia Belle, a 74-foot cruise boat featuring oak and brass railings, grand staircases, and an open-air observation deck, is ideal for hosting smaller meetings of up to 130 people. These elegant sternwheelers offer spacious and versatile event space along with exceptional food and panoramic views of Mission Bay.

EVANS GARAGE

Relive the elegance and grandeur of the early days of motoring at Evans Garage, a private collection of antique and classic cars. Evans Garage is a hidden treasure, which is closed to the general public and only hosts a few events each year. Hosting an event at Evans Garage is an exclusive opportunity to visit a world-class private venue while enjoying gourmet dining in a whimsical setting. Built in 1983 to house vintage cars owned by the late Bill Evans Sr., Evans Garage is an ever-evolving collection of vehicles spanning seven decades. Among its more notable treasures is the 1909 Blitzen-Benz, which once held the international speed record of 142 mph. Suspended overhead is a 1917 De Havalland biplane from the Royal British Flying Corps, which reigns as the building's striking centerpiece.
