

At Encore, we blend creativity and innovative technology for an inspiring experience. Our highly trained professionals are passionate about delivering exceptional experiences to help you tell your story. With a focus on every aspect of your event, from planning to execution, we'll bring your vision to life.

Encore Event Infrastructure Services follows industry standards such as OSHA, ANSI and ESTA. Accurate technical information for all event infrastructure items must be provided 21-days in advance to allow Encore the best possible opportunity to ensure your event's success.
