At lapdog, our goal is to make your team better at what they do. Period. How do we do it? Our passionate team of professional team development and team building consultants asks probing questions to determine what you need to excel. We then develop a program that simulates real-life events to address both your defined needs and those beyond your immediate perception. Experience the lapdog difference for yourself. Allow us to help you identify, refine and succeed!

CENTER FOR PROFESSIONAL TRAINING, LEADERSHIP AND TEAM DEVELOPMENT

By combining our unique scenery and an extensive menu of peer-related pursuits, Lanier Islands welcomes the opportunity to act as your catalyst for positive change. Why not trade the "rat race" for a REAL race or "get the ball rolling" with an ACTUAL ball? Rather than merely hosting a seemingly endless string of meetings and break-out sessions, we invite you to BE DIFFERENT at your next event at Lanier Islands. All team building activities can be designed to meet the time frame, physicality, and development goals of your group.
